CENTER MEMBERS INVITED TO ATTEND AND ENJOY AFFAIR AT DAY CAMP SITE

It's here! It's here! The day you've been waiting for is this Sunday, June 21. Spend Father's Day with Dad and the entire family!

The Center's fifth annual picnic will be held this Sunday, June 21 at the Day Camp site in Windham on Sebago Lake. The official picnic hours are 10:30 until 5:00 p. m.—but never mind the time—come early—stay on and bring food for your kids and family—and your grown ups will be hungry too.

Chairman, Dr. Henry Pollard, has a large working committee and is planning up activities and everything necessary to make this another successful Picnic Outing.

Tonic and candy bars will be sold on the premises and the profits will be turned over to the Day Camp Committee.

DIRECTIONS

How to reach Center Day Camp site at North Windham: Take Forest Ave., to Morrill's Corner, turn left on Route 302 to Boody's Corner. Turn left, go four-tenths of a mile, turn right on basin road, proceed seven-tenths of a mile, bearing right to end of road. Watch for signs on road.

There will be races and events for everyone! The famous "Egg Throwing Contest" and "Pie Eating Race" are high on the fun list of the day—The famous tug of war for youngsters is another event scheduled for the afternoon.

The "old ladies" will have their thread pulling race and clothes pin contests.

Sack Races, balloon batting contests, paper pie plate sealing and dashes for boys and girls will round out the day's activities.

The pier at the camp will be open for swimming and will be under the general supervision of Jar Bloomer, Center Day Camp Waterfront Director. She will be assisted by Carol Sibolkin and Marilyn Brynes.

Prizes are being awarded to every winner before the close of the program.

Committee members assisting Dr. Pollard are:

Membership Response Gratifying

May I take this opportunity of expressing the thanks of my committee to the entire membership for its enthusiastic acceptance of the new membership policy adopted last year. Your prompt payments made our work much easier.

You recall the policy adopted was:

Participation in or attendance at all Center functions shall **only** be by those members in good standing.

(a) A member in good standing is one who has:

(1) Paid his dues in full by Sept. 30 of any given year.

(2) Who will have paid his dues in full by Dec. 30, electing to use the following method; one quarter by Sept. 30; one half by Oct. 31; three quarters by Nov. 30; the balance by Dec. 30.

(3) This policy to be followed to the letter.

I know you will continue to give my successor, Mr. Maurice Gleekman, the new chairman, the same assistance you have given me the past few years.

Cordially

Day Camp Scholarships Given By Organizations, C. Rosenbloom

A number of youngsters of our city will be given an opportunity to have six full weeks of fun and outdoor recreation because of the generosity of several organizations and individuals of the city.

Mr. Edward Sacknoff, Chairman of the Center Day Camp committee announced receipt of scholarships from the following organizations:

Two full scholarships from the Center Women's Club.

One full scholarship from the Council of Jewish Women.

One-half scholarship from the Temple Beth El Sisterhood.

One-half scholarship from the Ladies Aux. — Jewish Home for Aged.

One-half scholarship from the Shaarey Tphiloh Sisterhood.

Charles Rosenbloom, active Day Camp Committee member has again contributed a full scholarship.

In accepting these scholarships, Mr. Sacknoff stated, "that the financial aid given us by these grants enable us to take care of the boys and girls we feel should be enjoying our camp. We appreciate the help given to us by these people and organizations. Such assistance by others in the community will enable us to make it possible to enroll additional youngsters for the summer."

Anyone desiring to assist with a full or half scholarship, or any amount, can send a check to Mr. Edward Sacknoff, Center Day Camp Scholarship fund at the Jewish Community Center.

This fund must be replenished to take care of the varied requests that come to the committee year after year.

Should anyone know of any youngster who should be attending the Center Day Camp, and is unable to do so because of financial prob-

GODFREY FUND CHAIRMEN CALL FOR PLEDGE PAYMENT

Harold Nelson and Edward Sacknoff, Co-Chairmen of the Center Day Camps Norman I. Godfrey Fund have jointly announced that the next installation of payment to this Fund is now due.

The Camp Committee has met on several occasions and have been making plans to enlarge the facilities at the Camp. However, to make any substantial capital improvement in the area the fund underwritten by the donors of the Godfrey Fund should be forwarded to the Center office.

The members of the Godfrey Fund who have subscribed to the \$100.00 plan over a four year term have made it possible to make the Center Day Camp site one of Maine's most popular recreational camps for the boys and girls of Center members.

Because of conditions beyond our control the steel pier planned for the Center Camp this season will be unavailable. However, plans are being made now to enlarge the present facilities so that we may continue to have a safe waterfront for our campers.
