## Pejepscot Lithuanian Given a Nominal Sentence by Judge

Sheriff Oliver and Deputy Sheriff Reynolds went to Pejepscot Wednesday and arrested a Lithuanian named Topilis Satvena for an assault and battery upon Adolph Petrolis in Lisbon Falls as the latter was getting off an electric car.

Both men were young and were brought to Bath in the sheriff's car and that afternoon were brought before Judge Keegan who found Satvena guilty and fined him one dollar and costs, the latter amounting to \$10.04. Satvena allowed that he had no money and so would have to go to the workhouse for a short term. Arrangements are being made to communicate with Satvena's brother in Pejepscot and he may pay the cash. Morris Povich acted as interpreter for both men who were unable to speak English intelligibly.

The row was about a postoffice box, according to Petrolis. Satvena denied that he had struck the other and claimed an alibi.
