

FOR WAR SUFFERERS

Jewish Young Ladies Soliciting Funds Throughout the City

The Jewish young ladies of this city canvassed the town Thursday with a supply of pretty buttons which they exchanged for contributions toward the relief fund for the Jewish war sufferers. The proceeds will be added to the national fund for the relief of the millions of stricken Jewish residents of Poland, Bukowina, Lithuania, Galicia and other parts of Europe and Asia Minor devastated by the war.

The young ladies engaged in the local work performed their canvass in a systematic manner, with delegates at the depot on the arrival and departure of all trains. Last year they collected over \$100 by their tag day for a similar purpose. This year they sent out a total of \$135.
