

HON. E. W. HYDE TO BE HONORARY CHAIRMAN

Hon. E. W. Hyde of Bath has consented to act as honorary chairman of the Bath Jewish War Relief and Welfare committee campaign to raise its quota of \$5,000 towards the national war relief and welfare committee's fund of \$15,000,000.

Thus another distinguished name has been added to the list of influential and prominent men of the country who without regard to religious distinctions have endorsed the movement. Prominent among these men is President Wilson, himself. His ideas and sentiments are clearly set forth in a strong personal letter to Jacob Schiff. The Jewish Board for Welfare work was organized with the approval of the Secretary of War for the purpose of doing among the 100,000 Jewish boys in the service the same kind of work as is done among the Protestants by the Y. M. C. A., and among the Catholics by the K. of C.

The Jewish Welfare commission has already arrived in Paris where the K. of C. has put at its disposal the various huts and equipment that it has until the Jewish commission becomes established.
