

# NEW SYNAGOGUE WILL BE BUILT

Local Hebrews are to have a synagogue on their lot between 858 and 865 Washington street and if satisfactory terms can be arranged the edifice will be erected during the Summer. It will have a frontage of 35 feet and a depth of 55 and while of only one story in height, will be exceptionally high posted so as to allow for a gallery for the women worshippers, the men worshipping on the ground floor. The synagogue will be of wood with a brick foundation. There are now 26 families of the Jewish faith in Bath and they are greatly pleased that the affairs of their denomination have reached such a financial stage that they are enabled to have a place of worship all their own.
