

DONALD MAYER POVICH CONFIRMED SATURDAY

More Than 100 Members of Congregation of Beth Israel Synagogue Present

Donald Mayer Povich, 13-year-old son of ex-Alderman and Mrs. Morris S. Povich, 980 Middle street, was confirmed Saturday morning in Beth Israel Synagogue in the presence of more than 100 members of the congregation, representing the entire Jewish community of Bath. The boy was prepared for the impressive ceremony by Rabbi Abraham May of this city.

The exercises were a splendid tribute to both the pupil and his instructor, as evidenced from the fact that Donald not only delivered a striking address in English, but read fluently from Torah, in Hebrew. The confirmation ceremony marks the turning point in the Jewish boy's life when he discards his boyish responsibilities to assume those of a man.

Following the confirmation, the young man's parents entertained with a reception and luncheon in the vestry.
