GARDINER, ME

Captain Gorfinkle wishes to acknowledge in behalf of the Y. M. H. A. France Fund, receipt of \$25.50 from Miss Rose Wollman of 228 Depot Square. He writes to Miss Wollman:

"I acknowledge receipt of money order for \$25.50 forwarded by you for use of our Y. M. H. A. in France, and respectfully request that you and your friends accept our sincere thanks for the same. Your offer to send us at least \$5.00 or \$10.00 each month is most generous on your part and, if sent, such funds will be put to great advantage.

By reason of your having so many Jewish boys from New England, I cannot say that I have come to know any Gardiner fellows personally, but you might tell your friends when writing them over here that I would like them to get in touch with me in case I can be of any material assistance to them."

BATH, ME.

With the original quota of \$5,000 already subscribed, the local War Relief Committee has decided to extend its campaign another week in order to double the quota. On Sunday, August 11th, the campaign opened with an enthusiastic mass-meeting at the Bath Opera House. Chairman Harry Cohen presided and addresses were made by several of the state committee members and prominent local officials. Mayor Drake and members of the City Council were guests of the occasion. More than \$3,000 was pledged at the meeting.

During the week contributions have been pouring into the headquarters and success in obtaining \$10,000 seems assured. Thursday evening thirty young ladies and several members of the committee held a successful Tag Day at a band concert at Brunswick. All the girls are members of the Naomi Club and they collected \$90 in an hour. Saturday evening, August 17th, there is to be a "Tag Day" in Bath. A band concert by the "Texas Marine Band" will be a feature. In order to assure co-operation by our Gentile neighbors a committee consisting of Mayor J. Edward Drake, John E. Fitzgerald and E. W. Hyde has been appointed and will make a determined effort to secure a generous sum. The treasurer of this committee is F. D. Hill of the Bath National Fund. With splendid co-operation, everybody is entering into the last week with confidence that Bath will exceed \$10,000
