

MAINE

The State of Maine Jewish War Relief Committee has invited Mr. Selig to tour the State and address meetings in Gardiner, Lewiston, Waterville, Bangor, Bath, and Biddeford.

In the campaign of August, 1918, \$100,000 in cash and pledges were secured. The payments were very regular until last month, but lately some of the cities have neglected the collections and it is expected that this tour will help to strengthen the Committees in the different towns, thereby helping to collect all the outstanding pledges.
