Here Is Big News

This Big Shoe Stock must be sold in 9 days. I have made
prices so low that people will carry them away by the
armful. Shoe prices are the highest we have ever known
and they are going higher. Just think what this means
to you. A. F. TIBBETTS.

In order to sell this shoe stock in 9 days, I realized that the sale prices
must be very cheap and have made them in many cases less than the cost
of the leather. A. F. Tibbetts, Shoe Store Adjuster of Portland.
