COME ON FOLKS, YES DANCE!!!!

THE FIRST ANNUAL MEMORIAL OR GRANDPA
WHAT BIG EYES YOU HAVE!

DEDICATION

To our own frater, Presumpscott, who first set foot in the mud of this spacious realm. To him we are indebted for discovering the site beneath which his body now rests. He, Corresponding Secretary, of the Epsilon Chapter, came across this paradise while on official fraternity business. In those days (1639), Corresponding Secretaries didn't have telephones, they had to walk from one chapter to another.

To-day, on the three hundredth anniversary of this discovery, we, here dedicate this beautiful building in his memory. Killed in the line of duty by a treacherous Mu Sigma, he has stood for centuries as a true symbol of Phi Delta Mu Spirit and Devotion.
