Federation's Community Dinner On Sunday Night

Rabbi Barnett R. Brickner

Rabbi Barnett R. Brickner, one of America's truly great Jewish spiritual leaders, who will be the guest of honor at the Second Anniversary Community Dinner of the Jewish Federation on Sunday evening, May 6th, at the Jewish Community Center.

Rabbi Brickner is identified with the leadership of every important Jewish national organization, and has served on the governing boards of numerous local and national institutions of government, civic, communal and cultural enterprises.

He is a noted lecturer whose radio addresses have made him one of the foremost speakers on the American platform.

Rabbi Barnett R. Brickner To Address Capacity Crowd At Center

A capacity gathering of Portland Jewry is expected to fill the Banquet Hall on Sunday evening, May 6th, at the Community Dinner of our Jewish Federation, when the distinguished Rabbi Barnett R. Brickner will be the principal speaker and guest of honor.

General Chairman George I. Lewis, whose campaign organization undertook the biggest job in Portland history, has announced that all who are contributing \$100 and over are entitled to make reservations. Because some reservations were not received, the Federation office will be pleased to accept last minute reservations on Saturday evening from those who failed to get one in the mail.

Jacob H. Berman will preside as Toastmaster of the evening, and all the guests who attend are assured that the usual lengthy "Banquet Speeches" will be decidedly absent.

A delicious full course chicken dinner, with all the "fixin's," will be served.

Following the Invocation by Rabbi Aaron Greenbaum, President Abraham S. Levey will open the gathering, and will introduce George I. Lewis. One of the interesting highlights of the evening will be the report by Hyman Mersky, Chairman of Special Gifts, announcing the total reached by the Campaign to date.

Guests are urged to be seated by 7 P. M. promptly.

Main Auditorium To Be Used

Barnett I. Shur (Chairman for the Federation Community Dinner) has announced that because of the large number of Reservations made for the Dinner, it will be held in the Auditorium on the first floor, thus permitting a better seating arrange-

ment than is possible in the Banquet Hall.

Through the courtesy of Leo Golodetz, an air conditioning system will be set up in the auditorium so that everyone should be very comfortable. Every person who has made a reservation will have a definite seat assigned.

A Salute To Capt. Arnold Potter

Arnold Receiving Award

Two recent honors received by Arnold Potter, pilot of B-24 Liberator Bomber in Italy, were the Distinguished Flying Cross and his promotion to Captain in the 15th AAF headquarters in Italy.

He received the award for "conspicuous and extraordinary achievement in aerial combat in consistent performance of vital strategic combat missions against enemy opposition of highly aggressive fighter aircraft and intense and accurate anti-aircraft fire." Although his plane was frequently damaged in encounters with the enemy, Potter consistently battled his way through to the target for the destruction of vitally important enemy installations, and brought his plane back to home base through severe and adverse weather conditions and rugged terrain. (From the diary of William Perlin, Chairman War Records Board.)

Mrs. Mack, St. Lawrence Street, raffled a hand knit set, which was won by Mrs. Maurice Davis. She in turn auctioned it off at the meeting, and it was bought by Mr. A. Weisman.

Mrs. Jennie Gordon was presented a membership pin for getting the most members for the season.

May 22nd will be our last meeting of the season, which will be a paid-up membership supper. Husbands are invited. The refreshments served were donated by Mrs. Samuel Ross in honor of the birthday of her son-in-law, Pfc. Leo Darish, serving with the armed forces in the Pacific. A large birthday cake was the centerpiece of the table.

"Happy Birthday" was sung by all the members. All remaining refreshments were given to the Canteen for servicemen.

Cordially,

Abe Zimmerman,

We have the coat, a Navy Blue Spring coat with a Smiley label. Ethel would appreciate her coat, so, ladies, check and be sure you got the right one Monday night.

Our Service Wives Organize New Club With Fine Program

Mrs. Mel Finn Elected To Lead Group

The first meeting of the Service Wives' Club was held on Thursday, April 26th, at the USO Lounge in the Community Center. Ruth Finn presided at the meeting and gave a welcoming address to the members, explaining the origin of the club. She introduced Mrs. Mildred Schwartz, who familiarized the girls with the type of work they would have to do; namely, attending the numerous military hospitals, particularly at Togus, and giving whatever services are needed to cheer up and assist both the physically and mentally wounded boys to help them on the road to recovery. Mrs. Schwartz also suggested a series of lectures and movies to familiarize the members with the G. I. Bill of Rights, the Rehabilitating of the returned soldier, and the affects of Battle Fatigues. She also stressed the need for Senior Hostesses to attend the Center functions and give their assistance at the snack bar, policing the door, and giving their personal attention to the servicemen who visit the Center, making them feel welcome and at home.

Mrs. Maurice Davis invited the members of the club to join as a group the Jewish War Veterans' Auxiliary and to attend their meetings once a month. She explained that the membership of this organization was good anywhere in the United States. It was met by the approval of all present.

Mr. Norman Godfrey suggested the continuance of the servicemen's column throughout the summer, explaining that the "Bulletin" had not continued through the summer months, to be in the form of a news letter, mainly to give the boys overseas and stationed in this country news of Portland and of their friends in the service.

Business Girls-USO Formal Dance Grand Affair

The month of May was ushered in with real festive spirit at the Business Girls-USO formal dance held last Sunday nite. The gym was transformed by Maypole decorations. The committee, including Hilda Silverman, Sylvia Turesky and Judith Schwey, certainly had a professional touch. Now we know who to remember for decorations.

One of the highlights of the entertainment was the roller skating act. (Guess brushing up won't do us any good!) We certainly gaped when they picked up our little five by five soldier and whirled him around. Zoom!!

Those unforgettable refreshments, which disappeared too fast and with so much zest, were created by Mrs. Abraham Rosenbloom, a past master of the art.

That one woman to six men ratio certainly set a pace of lively competition. Well, gals, where were you!!

Don't Blame 'Rumchick!

Your World-wide "Bulletin" press correspondent, Eddie "Avromchick" Shapiro, is not to be blamed because his column doesn't appear this week; because, as a matter of fact, Eddie's column was set in print, but the deluge of Organization News and other items simply pushed it right off the page. We'll run a double feature next week to make up for it.

Mollie Weisman, Editor.

Gertie Plans Giggles For Junior Hadassah

There isn't any one of us who can't stand a good laugh now and then. And so our inimitable Gertrude Serulnick has planned an evening of laughs for Junior Hadassah at the next meeting—which is to be held Tuesday evening, May 8th, at the usual 8:15 P. M. in the Community Center, of course. We're all very curious to know who this "he" is—we refer to the "he" mentioned on your invitation. Well, we know as much about it as you do, for it's a mystery man. However, we all love "he's," and "he's" are at a premium, so let's turn out, every one of us, and make a good showing. For further information on the program, watch your local newspaper.

The Dean's List

Alan B. Larkin pinch-hitting

The huge avalanche of mail that I have received since my recent expose of I. Dean (alias Blitz, Izzy, Spence, or just call me plain Israel) Silverman has been rather gratifying. To quote just an excerpt from one cabled to me from somewhere deep in Germany: "Life out here assumes greater purpose when such hypocrites, humbug artists and deceitors on the Home Front are unveiled and disclosed. . . ." This is a typical comment expressed in just one of the many thousands of letters received to date.

I feel it therefore mandatory that I present a few additional startling facts about the man who has for so long hoodwinked and bamboozled the general public. Of late he has seemingly taken great interest in the affairs of Center Youth with special emphasis leaning towards athletics. This "Ipana-toothed" loafer has gotten hold of a good thing and you can be sure that he is going to hold on to it. The "gifts" he has wheedled and coaxed out this year include an all leather belt, two neckties—one all silk—a collar and necktie pin like they advertise in Esquire, a 100% virgin wool white shaker sweater, a \$25.00 War

Bond and it is rumored that he will soon be the recipient of a 1941 convertible Ford coupe, white side walls and all. Let me warn the community, this is only the beginning.

For the complete grief and personal discomfort that this yellow-sheathed, self-titled journalist has brought to my dear, cherished and most beloved mother by his derogatory remarks last week, I shall never forgive him. Use of this foul method of retribution is low and dirty and besides, she didn't like it.

I'll be the first to admit that as far as pitching goes there are others who are better than I am, but there are few outfielders who are worse than you, Silverman. After having listened to your accomplishments for years, what a great fielder you were, what a terrific hitter, etc., you certainly did let the boys down in the pinch. In the first game twice you threw the ball over the catcher's head and allowed two men to score. Poor Bobbie Litman broke his heart with savage stabs to save you from embarrassment and humiliation, but for not. Then, of course, I won't even mention the time you came in from deep center field to back up George Bress on second base on what you thought was going to be a bunt. On that very pitch the ball sailed on a line to the very place which you had just forsaken. We played our best, but you let us down. The conscience of that defeat will linger with you for eternity.

Troop 6 Hikes!

Last month Troop 6 got an idea that it might like to have a hike. So, praying for good weather, it was decided that the activity would take place at Stroudwater on Sunday, the 27th. We met at the Center at 9:00 A. M. Under the leadership of Bernie Rosenblatt, our Scoutmaster, and with Ben Troen's splendid help, a perfect day was enjoyed by the boys and by their leaders.
