DONNA - BELLES - GROUP  
A-1

Here we were - six girls who came to camp bright and eager to learn many new things!

One of our girls, Jeri Fleisher, had the privilege of going to New York for a week. She told us that she had a marvelous time.

This summer, we made a flower garden, and we painted our group area.

Judy Honig went to the White Mountains and had a wonderful time.

We think we had more fun in Arts and Crafts than any other group in camp. Ask Sarah Ilene Erlick and Ruth Ann Weissman, if they don't agree with us.

Debbie Herman and Ann Wolfowicz think that swimming here at Center Day Camp is tops!

We've taken a few hikes and we have learned a great many new games and stories.

One of our big projects was the painting of our group sign. We all did the painting and our counsellor, Donna, said it was very nice. We chose as our group name, "The Donna-Belles".

When we were Sabbath Queens, Sarah Ilene was our Queen.

THE PINE CONES

GROUP  
A-2

We played with A-1 a game of dodgeball.

We had a cook-out and then went to our area and picked blueberries.

Two weeks ago, we painted pine cones and rocks.

We fooled around.

\*\*\*\*\*

We made aprons, hats and pine cones in Arts and Crafts.

\*\*\*\*\*

We were the Sabbath Queens, and Janet Shur was our Queen.

We went on a hike and ate our lunch in the field.

Our representatives to the Camper's Council are Sherry Ginsberg and Jeannie Marcus.

Our area was new and we built a fireplace. Two of the girls are in the Second Area - but the rest of the group will make it soon.

We picked for our name PINE CONES, and we have them hanging from the trees.

We have fun at camp and hope the other campers

WILD INDIANS

We played A-5 in baseball, and they won, 5 to 3. We played punchball against A-5, and it was a tie, 1 to 1. We won A-4 in a baseball game, 1 to 0. Our group played dodgeball, also.

We made Indian headbands with the name of our group on it. We also made cow neckties. For the Carnival, we made an Indian saying, "HIT MY NOSE".

We had a weiner roast and hike that was enjoyed by all. While on our hike, we saw a calf.

Our group experienced being on the bus that had a flat tire -- what fun!

We saw a water bug. It was the biggest bug that anyone ever saw, and another one too. They were as long as a one inch square. A dragonfly was seen too, and there was a hole. We know that from the hole, a baby dragonfly came out of.

Norman Rapoport

We went on a hike three days ago. We had lots of fun. We saw the whirlpool, it sinks a boat. Also, we went on and saw a bridge, and a truck, then we ate lunch and went back to camp.

Stephen Lewis

At our area, we saw two water spiders on the rocks. Then, Steve Mack came along and said he saw a fish. It was about six inches long.

Michael Lerman

\*\*\*\*\*

Today, at Center Day Camp, they are going to build a new shelter house. It will be finished in the last week of camp.

Larry Plavnick

\*\*\*\*\*

We took a hike to the dam. We saw men jump off the bridge. We went wading. We saw a whirlpool and went across some bridges. All of us had fun.

Steven Rissman

Richard Baker,  
Reporter

A-5 played baseball and beat B-3, 7 to 5. A-5 beat A-3, 4 to 1. A-5 beat A-4, 4 to 0. We are practicing to play B-4, and we hope we beat them.

\*\*\*\*\*

Scott Black and Philip Levine were elected to be on the Camper's Council. Richard Baker was elected to be Newspaper Reporter.

\*\*\*\*\*

A-5 went on a hike to the dam. Richard Baker, Philip Levine and Duane Polisner went fishing.

Bruce Bekritsky and Kenneth Goodman made boats.

\*\*\*\*\*

Jay Marcus and Melvin Wallman came from New York City to go to C.D.C.

\*\*\*

Billy Lerman and Howard Krantman made forts.

Leslie Kallus went to New York City. His family took his brother Freddie to the air base where he is now stationed.

Scott Black has a new sister. Her name is Barbara Carol.

Steve Serota is making a leather belt.

## OUR OVERNIGHT

Group B-1

Group B-2

Two weeks ago, on a Thursday night, our group, B-1 and B-2 stayed in camp for an overnight. We watched the busses leave, and then went swimming. We were very hungry when we got out, so everyone pitched in to help prepare the food for supper. We had delicious hamburgs, soda and water-melon. We sang songs and had fun.

We got our blankets ready, and got undressed. We went to bed, but not to sleep. Judy sang songs. Gradually, we all fell asleep.

In the morning, we all went swimming before breakfast. We had juice, cereal and milk for breakfast. The part that we did not like was the cleaning up. We all had a wonderful time!

## GROUP B-4

After the rest of the campers had left, we went swimming. We cleaned up second area. After we came out, we got the hamburgers and the potatoes ready. Scott made a salad. We ate and we ate - enough to fill us up!

A short time later, Mr. Cohen came in his boat. He gave us a ride around the lake. We enjoyed it very much. When we came back, we made our bedrolls ready. Then we went to sleep. We woke up about 5 o'clock, and waited for the counsellors to wake up. Then, we ate breakfast - juice, cereal, eggs, bread and milk. An hour later, we went swimming. Then, up to the athletic field. We're all hoping for another overnight soon.

THE BLACK KNIGHTS      B-3

We went fishing at White's Bridge. None of us caught anything. Some of us lost our hooks, some of us lost our worms. Some of us lost both;

On our overnight, we had lots of fun. After everyone left, we went swimming. When they came back, we caught them in our wet bathing suits.

\*\*\*\*\*

\*\*\*\*\*

We began our overnight with a swim. Then we had supper. Then, we played Davy Crockett at the Alamo. After a short rest, we played punchball with the counsellors. They beat us 7 to 3.

After the game, we came down to the beach to bed. Bruce said to go to sleep, but we didn't. After a while, we saw a boat. We thought it was signalling S O S (help). Richard Mestetsky started to sing, "We welcome you to C.D.C."

Around 11 o'clock, everyone fell asleep. We woke up and we were starved for breakfast. When everyone woke up, we played Davy at the Alamo. Then we had a fast game of volley-ball until breakfast. After eating, we worked on Arts and Crafts for about an hour. At 9, we went swimming.

Those sleeping overnight were: Donald Murinson, Gary Taylor, Irving Pinansky, Stephen Cohen, Donald and Ronald Levi, Richard Mestetsky, Mark Willis, Donald Warner and Harris Gleckman. The counsellors with us were: Bruce Nelson, Steve Novick, and Jerry Beallor.
