LEE CHOSEN IN CLOSE ELECTION

BY Stan Israel

MILES LEE DEFEATED KEN SEGAL BY TWO VOTES FOR PRESIDENCY TO MAKE ONE OF THE CLOSEST BATTLES IN CAMP LOWN HISTORY FOR THE OFFICE OF HEAD OF THE CAMPERS' COUNCIL. JULIAN BENARI NOSED OUT MIKE STRIAR FOR THE VICE PRESIDENCY AND RENEE SHAPIRO WON OVER ELLIE EPSTEIN FOR THE POSITION OF SECRETARY.

This year the parties were the same as last year with the exception of the Mishugina Party. The Power Party put on skits, songs, and cheers with plenty of power during the two day campaign; the Haganah, not to be outdone, did the same.

Running on the Mishugina ticket were Herb Berger for president, his brother Sam for vice president, and Stein for secretary (twice as good as any other candidate). At the final rally the Mishugina party withdrew on the grounds that the other parties were more mishugina than they. Miles Lee, Julie Benari, and Ellie Epstein were the slate for the Haganah, while Ken Segal, Mike Striar, and Renee Shapiro ran on the Power ticket.

Two of the highlights of the campaign were Senator McKarpy's probe of the other parties for red tinges and the driving of the candidates in the official car to the lineup.

Both Lee and Segal showed equal power, with Lee nosing out 51-49 in the closest campaign in Camp Lown history.

On election night, chairman Mary Karp first introduced the Mishugina Party's campaign manager, Gil Shapiro, who brought the crushing news that the Mishugina party would not run. Then Harold Baker, manager of the Haganah Party, called each of his candidates to the platform. They delivered speeches telling of their viewpoints and plans. This completed, the Power Party's candidates spoke about their plans and the voting began. Each tsrif also elected its representative to the council.

Station LOWN broadcast the results on-the-spot with commentators Gildrew Shaperson and H.V. Karpenborn doing the announcing.

FROM THE EDITOR'S DESK

As we go through the daily camp program, we derive from it a lot of pleasure. But camping is doing more than giving the camper immediate pleasure--it is preparing him for life.

At camp, the camper has to learn to get along with people of all types of personalities, backgrounds, and traits. Throughout his life he will come in contact with other people, whether it be in business, school, or clubs. Therefore his experience at camp in group living will be most important. Group living will have taught him how to get along with other people and will have developed in him many qualities. Living with other people, day in and day out for eight weeks, means consideration, understanding, and respect for the other person's rights.

Responsibility is also developed. The camper knows that each morning his bed must be made or his cleanup chore must be done or his part in the play must be learned or his letter home must be written. While these things seem small, and perhaps they are, they nevertheless have great significance because of the training they give.

Another ideal we practice in camp is democracy. Our campers' council is an excellent example of this, for through it the campers learn to think clearly and to work together so they will become good citizens and active in the government.

In addition to these benefits, it really is wonderful to know all about your people, their customs and ceremonies, their religion, their holidays; here at Lown such an opportunity for learning is provided.

HEBREW CLUBS

The Hebrew Clubs this year have proven to be very enjoyable and profitable. All the campers, including the CIT's, are divided into groups. There are groups for studying Hebrew, a discussion group, and a history group where the campers learn about the history of the Jews in America.

A part of the time of the clubs has been devoted to telling about Masada, a children's village in Israel. This has aroused a great deal of interest, especially in beginning pen pal correspondence with the children of the village.

CLAY, COPPER, AND CRAFTS

The arts and crafts counselor, Tamar, is very proud of the young boys. They really show great talents. They painted paper plates that really make the dining room look good. The intermediate boys and seniors have been making copper book ends, carving wood, and doing wood burning. They also work with clay and finger paints. I think the girls are really doing some interesting work. They are making very pretty belts with felt designs, painting chalah cloths, doing block prints, and making copper bracelets.

BEHIND THE FOOTLIGHTS

This year our dramatics counselor Marv Karp has directed two excellent plays and is preparing more.

The two plays that have been put on were "The Spirit of '76" which included the Boston Tea Party and leadup to the American revolt against the British, and "Shall We Join the Ladies", a one act mystery by Sir James Barrie. No one knows the ending to the mystery because Barrie died before he could finish it. Both of these plays were put on by the seniors and CIT's.

Among the coming plays are: "The Old Sleuth" by bunks 12 and 1, "False Pretenses" by bunks 11 and 2, "Great Caesar" by bunks 3 and 10, and "The Estabrook Niece" by bunks 4 and 9.

THE GREAT OUTDOORS

For this summer in nature, Larry Posner has planned a full program. So far we have had a very enjoyable program of an early morning hike which had bunks 6 and 7 and Ben Gopin up at 5 A.M., short one-hour hikes, insect and leaf collecting, insect mounting, spotter printing, wood study, and gardening. Larry has planned to start star study with talks and slides.

During Hobby Hour several boys learn some craft and took their first camping trip today. They hope to make an overnight camping trip soon.

A Lima bean takes three weeks to grow. To make a Lima bean plant this is what to do. Water the plant two times a week Monday and Sunday and in three weeks it will grow. It lives about a month.

ATHLETICS

This year we really have a lot of new things. We have bowling which they keep score, croquet, soccerball, field hockey, horseshoes, and bowling on the green. They planned to have shuffleboard, soccer, and wrestling. The athletic teacher is really giving fine instruction in all the fields. We campers also enjoy the rest of our activities such as tennis, volleyball, badminton, softball, and basketball.

RADIO AT CAMP LOWN

Station L-O-W-N! L-O-W-N! That's the familiar sound every rest hour. When Miles Lee, our excellent radio commentator, checks the mike for his daily broadcast, Ken Seigel has a new and very interesting product for the campers to try. I wonder where he gets his ideas?

Daily news from the bunks along with up-to-date sport results compose the program.

Best of luck to you, Miles and Ken.

ACTIVITIES

ARTHUR MURRAY NIGHT

The weekly Saturday night Dances were off to a big bang with Sandy Shuman heading the program.

Many campers and dancers alike learned new and interesting steps from our wellknown dance team, Dick Sterns and Ruth Jacobson.

Audrey Separation and Herb Cohen were the featured attraction of the evening, displaying a concept act of the Rumba. Herb's dancing was most becoming, but Audrey's suit coat did seem a few sizes too big.

All had a wonderful time and our hats are off to Sandy Shuman, by Beverly Potter

"SPIRIT OF '76"

BY JANET LEVINE

On Saturday night, July 4, one "Spirit of '76" (Dick Sterns, Gil Shapiro, and Larry Farnam) came marching through the Bet An door and into the stage, to the beating of the pipes.

That was the beginning of the annual Independence Day play under the direction of Larry Karp. With Sue Rolsky, Ruth Flocks, and Sue Adelman as narrators, the play took the audience through the different stages leading to the Declaration of Independence.

Special recognition should be given to the cast, who had very little time to prepare and did an excellent piece of work.

LITTLE LEAGUE SOFTBALL

by MORRIS DIRECTOR and JULIAN BENARI

Tuesday, June 30, was the first Little League tryout. And a lot of boys tried out and seventeen made it. Dick Sterns, helped by Irwin Cohen, is in charge of it. The following boys made the team: David Adelman, Captain; Harold Baker, Barry Traister, Julian Benari, Eddie Miller, Mike Striar, Alan Striar, Marshall Stern, Harry Tabenkán, Byron Dresner, Mike Lerner, Marty Davis, Norm Kominsky, Joe Cohen, Dave Sklar, Irwin Schiffer, Morris Director, and manager Mike Savitt.

On July 12 the Camp Lown Little League team played the Norridgewock nine and lost by a score of 4-3. It was a very close game and went into an extra inning. We were aided by the very good pitching of Eddie Miller who pulled us out of some very tight situations. More than once Eddie struck out all three men at one time.

The score stood 0-0 until the third inning when Norridgewock scored one run but we got that run back in our half of that inning. The next inning had them scoring two runs and we one making the score 3-2. In the sixth inning we scored one run which brought the score up to 3-3. David Adelman's long double into center field helped us to get into the seventh inning. In the seventh inning they got one run to win the ball game. Then we all enjoyed a swim along with the Norridgewock players.
