

They Heeded

The Call

A TRIBUTE to the men, women and young people of the Portland Jewish community who, over the past years, have given so generously of their time, their effort and their means in the service of humanity . . . and to our family of local agencies dedicated to serving our community.

FEDERATION

**1963
YEARBOOK**

Portland Jewry responded with open hearts in 1963 and while no records were shattered, 1,488 contributors gave \$137,662 to the Jewish Federation drive towards the support of our local Hebrew educational system, local, Zionist and national organizations, religious and cultural institutions, and of course, the United Jewish Appeal, the single largest beneficiary of our drive.

The 1963 campaign was an enthusiastic one. Volunteers gave unstintingly of their time to solicit the entire Jewish community.

To Mrs. Sumner T. Bernstein, chairman of the women's division, goes a sincere vote of appreciation for her efforts. That division showed an increase of \$964 over the previous year. This truly was an accomplishment.

Dr. Simon Berenson, the men's neighborhood chairman, also generated a winning team. His division showed a \$616 increase over last year. Dr. Harold Woolf, the chairman of the new pledges committee, started with zero and came up with an impressive total.

It is not my intention to single out individuals for their efforts. Suffice it to say it was the teamwork of all which brought the drive to a successful conclusion.

We are about to embark on our 1964 campaign. A realistic goal of \$145,000 has been set. This goal was approved by the Federation board of directors only after many hours of discussion, research and conferences.

Once again, the UJA will receive the lion's share. Next would be our Hebrew Schools. Jewish education will be supported to the extent of \$30,000, and our rabbis report this is a minimal amount needed if our schools are to operate at their usual efficient level.

JACOB AGGER

1963 Campaign Chairman

BENJAMIN ZOLOV, M.D.

Mirror of Giving

Many times during the year I am asked about the usefulness of the Federation Yearbook. Is it published to praise, belittle or shame our Jewish community? Are we trying a form of arm twisting in the method of the printed pledge? Is it comparison shopping?

I like to look upon this Yearbook only as a reminder of what we pledged last year. Your contribution to the Jewish Federation is a sacred pledge. Let this Yearbook serve as a mirror of your conscience and your ability to give without criticizing your neighbor. Each of us has his favorite organization and nobody would want to change this healthy attitude.

However, the idea of the Federation is to serve our local and national organizations, and last but

Burdens Are Greater

This is the first campaign in twenty-two years being conducted without the services of a full time professional executive director.

The burden thus falls on all of us to develop the best campaign possible without this assistance. Please give us a hand when you are called on to help in the campaign as a worker-giver or just as a donor.

Permit one personal observation on guidelines you should use in determining your own gift. Too many, for too long, have pointed with dismay at certain wealthy members of our community who give less than it costs to license or insure their two or three cars each year. Too many, for too long have held back on their own gift, using this horrible example as their excuse.

1963 CONTRIBUTIONS

Every effort has been made to assure the accuracy of this list of subscribers to the 1963 Jewish Federation of Portland Campaign. If there are any errors, we deeply regret them and would appreciate your calling them to the attention of the Jewish Federation office.

(Continued from Page 1)

Not least our help to Israel is most urgent in this year of crisis.

Our goal of \$145,000 is a realistic one. We can reach this sum when our sights are set on the emergency both here and in Israel. Remember, there are no bargains in saving lives.

ROSALYN S. BERNSTEIN

The 1963 campaign of the Jewish Federation of Portland is now a matter of history. For the women of Portland, the campaign

was a success because of the devoted effort of workers, captains, majors, vice-chairmen and the division chairmen, Mrs. Harold Romanow for special gifts, Mrs. Joseph Modes for contributors, Mrs. Morton Slosberg for neighborhoods and Mrs. Morris Murinson for new pledges.

However, we cannot rest on last year's achievements. This year's needs locally are as great as ever. The UJA is faced with the enormous responsibility for resettling Jews in this year of mass Jewish migration throughout the world. Because we are now without the services of a professional director of our Jewish Federation, it has become our responsibility as aware and committed Jewish women to insure a successful campaign through hard work and generous contributions. Last year's division chairmen have recognized this responsibility by assuming leadership again. Mrs. Barnett I. Shur, who has led the women's division successfully in the past, has once again assumed the overall chairmanship. I urge you to support their work with your effort and your money.

WILLIAM COHEN

Immediate Past President

Community Leader

STONE:

(Continued from Page 1)

As Campaign Chairman I beg you, this year, to look only to those who are giving 5% or more of their gross annual income to Federation. Look for an example, to those who even deprive themselves — a little — in order to pledge and pay their commitment to the future of Judaism in Portland and in Israel.

Federation represents the most efficient method devised for Jews to help other Jews. Do not look upon this as a one-time gift, supported only by what you can spare at one given moment. Rather, treat your Federation gift as a year-round manifestation of your Jewishness. Pledge what you can in terms of 52 weekly or 12 monthly gifts. That way, a continuing need can be met by a continuing gift.

In this spirit we ask you to place your idea of community responsibility on the line and review your projected pledge. Compare it with the guidelines above. Can you honestly state that it's enough?

This year, please give more, all year 'round, to YOUR Federation.
