

Omg, I just realized I mistyped my phone number by accident!

The correct number is: 954-501-6213.

Thanks,

Gary

Subject: Job Applicant

Harris:

We have received a job application from Lenora Liebowitz who has applied for a part time position with the MJM doing administrative support and building management. I know she does some part time work for DMJ and wanted to get your opinion on our hiring her for this part time position.

Please let me know directly.

Thanks!
