Natasha Mayers work marries art and community often exploring themes of peace and social justice. **Men In Suits** focuses on men and their diverse environments, challenging the viewer and evoking conversation.

Natasha Mayers has been called Maine's most committed activist-artist. She has supervised more than 500 murals as a touring artist with the Maine Arts Commission. She is an artist-in-residence for Peace Action Maine and was a National Endowment for the Arts Millennium Artist in Portsmouth, Ohio.
