DISCUSS MIDEAST—The Middle East situation was among the topics discussed yesterday when these Lewiston-Auburn residents met with Gideon Saguy (second from left), consul general of the Israeli Embassy in New York City. Saguy spoke on the future of his country and the present tension in the Middle East before a Bates College assembly and placed most of the blame for the present situation on the activities of Egypt.

Left to right, are Shepard Lee, Saguy, Jacob Lowy, and Dr. L. Horvitz.
