HOLD INTER-CITY PROGRAM—Youths of the Lewiston-Auburn and Portland Jewish Community Centers were entertained yesterday at the Lewiston Center as part of the school vacation program. They are seen eating a box lunch and Morris D. Kronenfeld (at right), center director, welcomed those present. The group enjoyed movies, ping-pong, dancing and refreshments; and Portland youths won a basketball game, 50-41.

Another vacation program today will start at noon with a box lunch, and a film, basketball, and arts and crafts are scheduled. On Saturday night there will be a social party for Center boys and girls, age 10 to 17.
