Mr. Philip W. Lown
15 Elizabeth Circle,
West Newton, Mass.

Dear Phil:

The Board of Managers of the "Y" at their meeting of last Thursday accepted with regret your letter of resignation from their Board.

Both the Y.M.C.A. and I very much appreciate the fact that you found time in your busy life to serve on the Board of Managers and for two years carry on as President. Your horizon has not been, limited by your own personal affairs but has been, and is, broad enough to let you participate in the good works of these Communities and far beyond.

The Auburn "Y" will look forward to your continued help and counsel.

With kindest personal regards, I am,

Sincerely yours,

Edwin W. Adams
