Mr. Edwin W. Adams, Pres.
Y. M. C. A.
Turner Street
Auburn, Maine

Dear Ed:

I have given considerable thought to my present status as a member of the Board of Managers and I have come to the obvious conclusion that in fairness to the "Y", as well as to the community, I should tender my resignation. The one day a week that I spend in Auburn does not give me an opportunity to render any service to the "Y".

I am very grateful to you and to every member of the Board for having given me the opportunity and the privilege of serving on the Board and as vice-president and president of this great institution. The years of my association with the "Y" will always be cherished and be dear to me. I have firmly and enthusiastically believed in the great services rendered by the "Y" to the twin communities. I have also always admired and respected the broad-minded and liberal interpretation of the Board regarding the policies of the "Y".

The sincere devotion and loyal service of Magnus Hansen has been a source of great inspiration to me. It has been a pleasure to work with such devoted and community-minded gentlemen as all of you are.

My interest in the "Y" will continue and I will be happy to render such services as I may be called upon for and am able to discharge.

With cordial greetings to all, I am,

Sincerely yours,

Phil W. Lown
