9. HEY LOOK UP OVER

Hey look them over; give
 them your ear
Our judges in Maccabiah
Are always very fair
You may have a gripe boy,
And register a protest
The quick decision that
 they'll make
Will always stand the test:
Of honesty, time, fairness
 and impartiality
So if you have a problem
And find yourself in doubt
Don't you hesitate, don't
 procrastinate
Don't you dare wait, just
 shout:
 HEY JUDGES!

1. VAGABOND SONG(con't)

Forward, forward, heads and
 spirits high
See our heroes.....
To our team all loyal,
To a mother royal
Bring your Alma Mater's
 praise
Home of art and learning
Keep ambition burning
On the hearst for all our day
Onward, onward obstacles to
 face
Forward, forward, tradition
 sets the pace
High ideals keep ever
Friendships ties ne'er sever
To red, white, and blue be
 true
